Enchanting Tranquility

Marassi, an International Destination

Overlooking the mesmerising turquoise blue waters of El Alamein is Marassi, a 6.5 million square meter gated, master-planned year-round destination resort.

Set against a backdrop of pristine beaches, lush greenery and meandering waterways, Marassi is an exclusive premier resort, home to the first signature 18 hole golf course along Egypt's Mediterranean and a bustling Town Center. Marassi is peppered with breathtaking homes designed by world-renowned architects. The architecture in Marassi is inspired by six Mediterranean lifestyles including Moroccan, Tunisian, Greek, Spanish, Italian & Egyptian to form a mosaic of charm and elegance.

Marassi Facilities & Amenties

You couldn't wish for more - slip out for an unplanned meander through captivating backstreets and splendid souks, or pop out for needful things at convenient community centers. Marassi's distinctive shopping is all about exclusivity, charm, originality and serendipity.

Punctuate wanderings with scenic breaks at the waterfront or an energizing espresso at a quirky cafe. For the activity fanatics, when you're not playing golf or enjoying the thrill of the sea, engage in many indoor and outdoor sports. Top-class facilities abound - pools, tennis courts, football fields and kids' playgrounds. The quality and international standards employed within everything in marassi is best demonstrated in the magical Beach Clubhouse and Golf course & Academy and m-porium, the North Coast's Largest outdoor Plaza, which are currently operational.

Marassi Masterplan

Experience the enchantment of the Mediterranean, where the sun, sand and sea create vistas of exquisite beauty. In marassi on the north coast of Egypt, you live in a natural environment, with all the comforts of modern life. This resort is an extraordinary fusion of beaches, greenery, lagoons and a uniquely cosmopolitan ambience.
